CONFESSIONS OF A MOV-

I had heard and read so much of the glamour of the old days," said a young actor, "those palmy days when an actor was an artict, pure There were several houses of equal and simple, and his art an inspiration, not a business. I devoured books on the lives of those winged they were only within a loud coo-ee vagabonds, as they appeared to me, distance, and I could not see a single and despaired of ever touching the heights they had reached, for they lived in a purely artistic age and I But before we had reheated one was living in an impurely business

"I had lived through three theatrical seasons, and not a feather of the wings of romantic vagabondage had as much as lightly touched the tip of my ear. My seasons had been Mr. E. C. Atkinson, the new local spent with companies in which salkes Alba Sewell returned last manager of the Western Union, ar- aries had been paid with office-like rived today and has already taken regularity, where the curtain rose Monteagle, Tenn. She harge of the business of the office. at the very moment of its scheduled He is accompanied by his wife and time and fell with evenness of the waves of an untroubled Summer sea. quarters at the Tremont hotel until During the interim the actors and actress went about their work with a businesslike regard to caes and entrances and sat, while waiting hatter, thought stared at, were for them, in quiet groups, whispering feared. comments about the election, the high price of living, and sometimes, hor-The Gillett Co. in Tampa has re- ror of horrors, the Stock Exchange cently added another fine vessel to Ne wonder there was no remantic their fleet carrying lumber to Cuba. atmosphere to inspire the sudden The new boat is a big schooner, with blessoming of a young sening!
